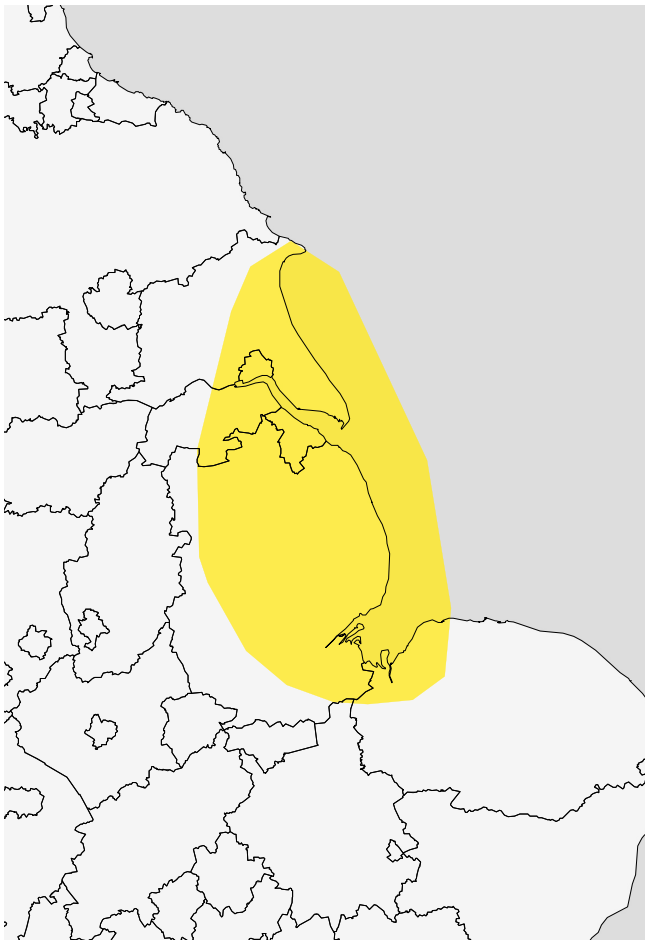
Yellow warning
Wind

Between
11:25 Sun 31 Oct 2021 and
13:30 Sun 31 Oct 2021



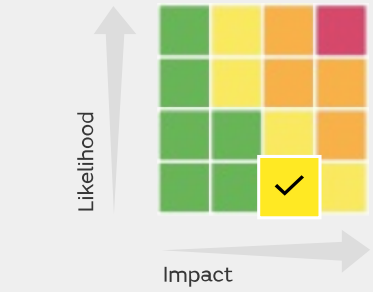
A brief spell of squally winds accompanying heavy rainfall, may cause some disruption and damage

What to expect

- There is a chance of longer journey times or cancellations as road, rail, air and ferry services are affected
- Power cuts may occur, with the potential to affect other services, such as mobile phone coverage
- There is a slight chance of some damage to buildings, such as tiles blown from roofs and a larger likelihood of damage to trees

Further details

A squally rainband will run quickly across the area, accompanied by strong wind gusts in some locations. A few places could see gusts to above 60 mph, which would lead to some damage to trees. Additionally 10 to 20 mm of rain could fall within an hour, the combination causing temporarily very difficult travel conditions.



Very low likelihood of medium impacts
